GEORGIA GROWN SEED.

Wholesale Contractors; and Manufacturers Soil Inoculating Bacteria.

WE PREPARE

Nitrogen Fixing Bacteria

—FOR—

Cow Peas, Velvet Beans, Soias, Alfalfa, Garden Pea, Garden Beans, Red Clover, Crimson Clover, Vetches, &c.

1-acre package \$1.50; 2-acre package \$2.50; 3-acre package \$3.00, post-paid; less 33 1/3 % to wholesale seed trade.

Collaborating with one of the best American Bacteriologists, our cultures are pure and potent, equaling the best. We shall keep in constant touch with the U. S. Government as regards test in our output.

We are selling now large amounts for Cow Peas, Velvet Beans and Soias. Give us your orders.

FALL SEED CATALOGUES—Devote a page to Nitrogen Fixing Bacteria and put same page in **Spring Catalogue**. Will gladly furnish the page-matter unsigned. Will furnish also, if desired, the culture—packages with our name omitted, and ready for your own firm's stamp.

The profit to you is good, and these cultures, now commercial and portable, constitute possibly the greatest discovery of modern science.

Present Delivery Orders.

Contracts=Future Delivery.
